RULES OF THE ROOM

1. Required: A positive attitude with a willingness to work hard and learn in a fun environment.
2. Grades: Grades will be derived from homework, quizzes, unit tests, class participation, and projects/group assignments.
GRADES ARE EARNED, NOT GIVEN!
3. Assignments: All work must be turned in on time. **One day late earns you ½ credit, after that there is no credit! If you miss an assignment, it is your responsibility to see me for any make-up work. This includes tests/quizzes. We will set up a time before or after school. You will have only one opportunity to make them up so it is important that you arrive on time.**
4. Other expectations:
 - A. **Behave in a way that allows you and your classmates the opportunity to learn.**
 - B. Come to class prepared. Bring your notebook and anything else you think you will need for class, i.e. pencils, pens, etc.
 - C. Be respectful of each person, his/her thoughts, and his/her property. You do not want someone bothering your things, so do not bother others'.
 - D. No meals are eaten during class. You may have a snack and drink if it is quiet. You are responsible for cleaning up any mess you make.
 - E. If you choose to drink in class, **KNOW YOUR BLADDER CAPACITY.**
 - F. If you chew gum, do not smack it or blow bubbles.
 - G. Cell phones are not to be out in class. See the cell phone policy for specific rules.
 - H. My class time is not the time to take care of your personal business or to do another teachers' work. I will ask you to put another teachers' work away only once. If I ask again, the work becomes my property.
5. **Notebooks:** Get a 3-ring binder **NOT A COMPOSITION BOOK**-This notebook is to be used for this class only. You will need a divider for each unit. You can make these or buy them. Research has shown that students who keep a notebook in a neat and orderly fashion score 10-12 points higher in class. **THERE WILL BE RANDON NOTEBOOK CHECKS.**

Parents, PLEASE feel free to contact me for any questions or concerns during the semester. Email is probably the easiest way to communicate with me, but you can also call me at school: PHS PHONE # 704-753-2810.

Email: julie.plyler@ucps.k12.nc.us

Your first assignment is to have this signed by your parent and return it tomorrow.
