

Parents:

The information (videos and links) below will help you learn how to become an observer for your student in Canvas. When you are asked to go to the main canvas site. You need to start here.

Start by going to this website: <https://ucps.instructure.com/login/canvas> and create an account if you do not already have one. It will ask you for a pair observer number (make sure you have this first)

Observers

[Account Registration and Student Pairing \(Observers\)](#)

- <https://community.canvaslms.com/videos/1302-account-registration-and-student-pairing>
- In this video, you will learn about observer account registration and how to link students to your account using a student pairing code.

[Canvas Overview for Observers](#)

- <https://community.canvaslms.com/videos/4113-canvas-overview-for-observers>
- In this video, you will learn about the Canvas Dashboard and Global Navigation links, and about basic course navigation to view assignment details and grades.

[Canvas Parent App](#)

- <https://community.canvaslms.com/videos/3950-canvas-parent-app>
- In this video you will learn how to use the Canvas Parent app. The steps in this video are shown for a phone display, but unless otherwise noted, tablet displays mirror the same steps. Most of this video was created using an iOS device. Any differences for Android users are noted.
