### Grades

- Term grades are calculated with homework being 30% and assessments (tests/quizzes) being 70%.
- The semester grade is calculated with each term being 25%, for a total of 75% and the NCFE being 25%.
- Grades are updated at least once a week in Power School. Students have their own individual username and password. Parents/guardians may also get a username and password through the main office.

### Supplies

1 $\frac{1}{2}$ to 2" 3-Ring Binder with divider tabs	Loose leaf and $\frac{1}{4}$ " graph paper
Pencils...all work is done in pencil	Colored pencils
Scientific and graphing calculator (Students may check out graphing calculators from the media center We do <b>NOT</b> have classroom sets of calculators for students to use.	

### Homework

We will check homework together in class. Students should ask questions about problems they do not understand or worked incorrectly. Students should also review their corrections to help better prepare them for quizzes and tests. Homework will be collected as deemed necessary, so it is a good idea to complete each assignment. Papers that only have answers will not be accepted.

### Tutoring Days and Times

- Tuesday mornings starting at 8.
- Tuesday and Thursday after school until 4:30.
- Other times may be requested.

### Expectations

- Be in your seat ready to learn...have your homework out and pencils sharpened before the tardy bell.
- Restroom visits should be for emergencies only. You will need to sign out and back in.
- When I am talking, you are not talking.
- Please raise your hand to be excused from your seat or if you have a question.
- **NO** cell phones, iPods, earbuds, headphones, etc. are allowed in class.
- **NO** food, drink, gum or candy in class, with the exception of water.
- You may **NOT** share calculators during a test or quiz.

### Consequences

- Students will be dealt with on an individual basis.
- Students will be called down in class.
- Parents/guardians will be contacted as necessary.
- Discipline referrals will be written as necessary.

### Attendance

If you are absent it is your responsibility to make up the work you missed in the time provided. Be sure your notebook is up to date with all notes you missed. Information can be found in Canvas or in the classroom. Do not hesitate to ask me what you missed while absent.

### Technology

Computers and our online learning platform, Canvas will be used as tools to assist in classroom instruction. Understand, though, that much of Math II will be done with paper, pencil and calculator. This means there will be times when it is necessary to put computers away and do mathematical computations to comprehend the topic we are investigating.
