### Grades

- Term grades are calculated with homework being 40% and assessments (tests/quizzes) being 60%.
- The semester grade is calculated with each term being 25%, for a total of 75% and the NCFE being 25%.
- Grades are updated at least once a week in PowerSchool. Students have an individual username and password. Parents/guardians may also get a username and password through the main office.

### Supplies

REQUIRED ITEMS FOR INDIVIDUAL STUDENT USE:		Wish List for the Classroom:
★ 3-Ring Binder (1 – 1½")	★ Pencils	★ Extras (paper, pencils and dry erase markers especially) would be greatly appreciated to help those who can not afford personal supplies ★ tissues
★ 2 notebooks (one for notes and one for work)	★ Highlighters and colored pencils	
★ ¼" graph paper (can be in a notebook or loose leaf)	★ Dry erase marker (can be used on desk or laptop screen)	
★ loose leaf paper	★ 3x3 sticky notes	
★ Graphing calculator (we have limited classroom sets of calculators for students to use, but having a personal calculator for home use is useful)		

### Homework, Absences and Assessments

- Homework is due the next class period unless noted otherwise. Homework will be collected as deemed necessary, so it is a good idea to complete each assignment. Papers that only have answers will not be accepted. Late work (not due to absence) will be accepted for 3 days with penalty. On the 4th day and later, no credit will be given. Homework will be checked together in class. Students should ask questions about problems they do not understand or worked incorrectly.
- If you are absent it is your responsibility to make up the work you missed in the time provided in compliance with UCPS policy. Be sure your notebook is up to date with all notes you missed. Information can be found in Canvas or from classmates. Do not hesitate to ask me what you missed while absent.
- Students will be assessed in a variety of ways including warm ups, exit tickets, quizzes and unit tests. If students are unhappy with the grade earned, they may arrange to do corrections with teacher assistance during Pirate Prep or tutoring before/after school. Corrections will allow the student to earn back 50% of the points missed.

### Tutoring Days and Times

- Tuesday after school until 4 and before school Tuesday/Thursday starting at 7:30.
- Other times may be requested (in advance if possible).

### Expectations

- Be in your seat ready to learn...have your homework out and pencils sharpened before the tardy bell.
- Restroom visits should be for emergencies only. You will need to sign out and back in.
- When I am talking, you are not talking.
- Please raise your hand to be excused from your seat or if you have a question.
- **NO** phones, iPods, earbuds, headphones, eating or drinking (with the exception of water) in class

### Consequences

- Students will be dealt with on an individual basis.
- Parents/guardians will be contacted as necessary.
- Discipline referrals will be written as necessary.

### Technology

Computers and online learning platforms such as Canvas and SchoolNet will be used as tools to assist in classroom instruction. However, there will be times when it is necessary to put technology away and do mathematical computations to comprehend the topic we are investigating. More information can be found on my Canvas Syllabus page.
