

There are a variety of ways to keep abreast of the progress of your student:

Parent Portal online...you may request a username and password from the office to access the PowerSchool grade book. Grades will be updated *at least* once a week, if not more often.

Progress Reports...these are sent home every three weeks of each grading term. I will ask that you sign these and have your student bring them back to me.

Report Cards...these are sent home at the end of each six-week grading term.

Email...do not hesitate to email me. This is actually the most efficient way to contact me.

Phone call...do not hesitate to call me. Most likely you will need to leave a voice mail, but I will return your call as soon as I am able.

Meeting...if you feel we need to sit down and talk in person, please contact me and we can make arrangements.
